He once again recommends sanction to the extension of the term of office of the Vice President from one year to three years.

Sub Extension of the term of office of the Vice-President of Chicknakanahalli Town Municipal Council from one year to three years

With reference to your letter No L 17391/W R dated 25-6-1947 on the above subject requesting to intimate whether the proposed extension of term of the Vice-President from one year to three years would not limit the chances of many to serve in that capacity I have the honour to state that the recommendation to extend the term was made as the decision of the Municipal Council^m this regard was unanimous and also in consideration of the local conditions and other political reasons. The short term of one year would not give the Vice-President enough time to carry out any substantial work.

I therefore request that sanction of Government may kindly be obtained for the extension of the term of the Vice-President from one year to three years as already recommended.
